

HOMING QUESTIONNAIRE CATS & KITTENS

Please answer all questions fully as this information helps us to find out if the cat you are interested in is suitable for you.

If not, we may suggest another cat who is more suited to your lifestyle, needs and requirements.

A home check will be required before a kitten or cat is placed with you. We home all kittens where possible in pairs as this is proven to be better for their welfare. We do have a few single kittens become available so do please ask or look on our website.

Thank you for your interest we will be in touch if your application is successful.

(Please note: not all of our cats are advertised on the internet)

ADOPTION DONATION & HOW YOU CAN HELP US

As a small rescue centre on an average it costs us approximately £180 per cat. This is why we ask for a minimum donation of £125 for each cat/kitten. Would this be a problem for you?	
After we receive your form back we will match you or see if you match the cat/kittens you have chosen. Once this is done we will request a £20 per cat/kitten deposit. This will reserve the cats/kittens for you while we continue the rest of the process. This is still dependant on the rest of the process being successful. If we discontinue for any reason we would refund your deposit. Is this a problem for you?	
If you have any spare time would you consider doing some fundraising for us please let us know and we can work with you if needed? Donating any unwanted presents, toys (cats toys or childrens toys) New cuddly toys are wanted too. Any old blankets, single duvets or towels are all gratefully received. This enables us to give all our cats or kittens nice clean warm beds. Any unwanted/unliked cat food is also appreciated. Just to name a few things. You could think up your own ways too.
